Indicative view of the new Duxford
Aviation Technology Campus buildings

Earlier this year, we introduced our emerging proposals for Duxford Aviation Technology Campus - a new home for sustainable aviation technology alongside the new IWM Lab at IWM Duxford.

We have reviewed your feedback and continued to develop our proposals.

We are now inviting you to see the updated designs ahead of submitting a planning application to South Cambridgeshire District Council

Turn over for event details.

Indicative masterplan layout

HAVE YOUR SAY

Join us at a consultation event to meet the project team, explore the detailed designs, ask questions and share your views.

Attend one of our events, you can drop in anytime:

Thursday 3rd September, 4pm - 7.30pm
Saturday 5th September, 10am - 1.30pm

Airside Suite, 2nd floor of the Airspace Aircraft Hall, Cambridge CB22 4QR
